**FOR IMMEDIATE RELEASE**

## **Interstate 5 Ramps Closed for Memorial Procession**

Redding – Motorists on Interstate 5 wanting to access Antelope Boulevard and State Route 36 in Red Bluff, Tehama County, will be subject to a temporary detour Tuesday morning, November 26 as a funeral procession for the slain Red Bluff Police Officer, Dave Mobilio, passes through the State Route 36/I-5 Separation. The north and southbound off-ramps will be closed to all traffic for a brief period as the horse drawn entourage proceeds along Antelope Boulevard, SR 36 through the interchange. Warning signs and Changeable Message signs will direct traffic to the detours. The closures are anticipated to occur between 10:00 AM and 11:00 AM.

Northbound traffic wanting to exit at the SR 36/I-5 interchange will be detoured to the next available off-ramp at Wilcox Road, approximately three miles to the north, and will be directed to return south to the Diamond Avenue exit. Southbound motorists will also be directed to the Diamond Ave exit, approximately 1.5 miles south of the main Red Bluff exit. Motorists are asked not to use the North Red Bluff exit, to North Main Street and SR 36 due to congestion in and around the staging area for the procession.

Westbound traffic on Antelope Boulevard will be stopped prior to the entrance of the Tehama County Fair Grounds, site of the Memorial Service, as the procession begins to enter from SR 36. Traffic on SR 36 will also be delayed as the procession leaves the fairgrounds after the service and returns to the freeway.

Motorists are asked to be prepared to stop and to drive with caution.
